KEEPING CLOSE

Update on Cofferridge Close

36 people will lose their jobs when they force Budgen's to close this Christmas

There'll be no supermarket in Stony for over 2 years if the plan goes ahead.

Where will we do our shopping then?

The applicants have still not yet answered all the MK Council officers' questions. We're still waiting for them to put in a final application to build a huge supermarket. When that happens, we all need to object AGAIN loud and clear. Then it goes to an MK Council meeting, and we all need to go to that meeting. These bulletins give some of the facts but please read the website.
