

KEEPING CLOSE

Update on Cofferridge Close

Guess what?

Even though the Council unanimously voted out plans to knock down Cofferridge Close and build a huge new supermarket instead, an appeal was lodged ... on the VERY LAST POSSIBLE DAY Friday 13th September.

Even more uncertainty now follows as public money will have to be spent repeating all of our hundreds of objections and defending Stony against this out-of-scale plan.

Please see the website for more details of this latest move.
